R Hema Chandrika

Aspiring Data Analyst

+91 6379558436 | hemachandrika112@gmail.com | Nilgiris, Tamil Nadu | LinkedIn | GitHub

PROFESSIONAL SUMMARY

Aspiring Data Analyst with a strong foundation in data analysis, data visualization, and business intelligence. Proficient in **SQL, Python, Power BI, and Excel**, with hands-on experience collecting, cleaning, analyzing, and interpreting data to generate actionable insights. Demonstrates strong analytical, problem-solving, and communication skills with a passion for leveraging data to support business decisions and drive organizational growth.

CERTIFICATIONS

AI-Driven Data Analytics with Python, SQL, Excel & Power BI – Entri Elevate Mar 2026 – Sep 2026

Illinois Institute of Technology | Certified by Illinois Tech & Entri

- Earned certification covering **Python, SQL, Excel, and Power BI** through an industry-aligned curriculum; completed hands-on projects using real-world datasets.
- Built end-to-end dashboards and generated actionable insights to support data-driven business decision-making.

SKILLS

- **Programming Languages:** SQL, Python
- **Visualization Tools:** Power BI, Microsoft Excel
- **Data Skills:** Data Cleaning, Data Transformation, Data Modeling, Dashboard Design
- **Analysis Techniques:** Pivot Tables, Pivot Charts, VLOOKUP, DAX Measures, KPI Analysis
- **Business Intelligence:** Reporting, Trend Analysis, Actionable Insights
- **Soft Skills:** Analytical Thinking, Problem-Solving, Communication, Attention to Detail, Team Collaboration

PROJECTS

Residential Location Preferences & Urban Living Patterns Study 2025 | Python & Power BI

- Analyzed residential preferences using **Python** based on rent, safety, income, and commute factors across different demographic groups.
- Performed data cleaning and EDA; created an interactive **Power BI** dashboard to visualize urban living patterns.

Retail Sales Analysis Dashboard 2026 | Excel & Power BI

- Cleaned and analyzed retail sales data (2023–2026); built fact/dimension tables and developed **DAX measures** for revenue growth, profit margins, and YoY comparisons.
- Delivered an interactive **Power BI** dashboard with dynamic filters to track sales performance and support strategic retail planning.

■ View on GitHub

Logistics & Transportation Fleet Performance Dashboard 2026 | Power BI

- Cleaned and modeled logistics data to analyze fleet performance, route efficiency, and delivery reliability across operations.
- Built interactive **Power BI** dashboards with KPI cards, trend charts, and maps tracking fuel efficiency, on-time delivery rate, and cost per km.

■ View on GitHub

E-Commerce Sales Data Analysis Dashboard 2026 | Excel

- Analysed **2,000+ rows** of e-commerce sales data; performed data cleaning, deduplication, and transformation to ensure accuracy.
- Built **Pivot Tables, Pivot Charts, and VLOOKUP**-driven dashboards to track sales across categories, regions, and time periods.

WORK EXPERIENCE

Analyst Trainee 2026 – Present

Cognizant (Training Program)

- Undergoing structured training in **Service Desk operations**, covering ticket management, incident resolution workflows, and escalation procedures in an enterprise IT environment.
- Developing professional communication, analytical thinking, and problem-solving skills through corporate simulations and team-based exercises.
- Learning **ITIL-aligned** IT support processes including SLA adherence, change management, and customer interaction best practices.

EDUCATION

Bachelor of Computer Applications (BCA) Aug 2022 – May 2025

Providence College for Women (Autonomous), Coonoor, Tamil Nadu

- **GPA:** 9.02 / 10.00 | Bharathiar University Affiliation | Coursework: Data Structures, DBMS, Python, Computer Networks.
